

Foundation Grants Awarded in the Fall of 2025

With community support, the Forest Hills Public Schools Foundation helps fund excellence in education by supporting identified needs of the school district. The FHPS Foundation helps support key educational initiatives that are vital in equipping students with the knowledge, skills, and experiences necessary to build meaningful and productive lives. Together with our community, we are cultivating possibility, enriching our educational system, and building a strong future. The Foundation's board of trustees provides governance and oversight to grant proposals, Foundation initiatives, and much more. It is a 501(c)(3) charitable nonprofit organization registered in the State of Michigan. The Foundation awards individual staff grants two times each year, once during the fall and another during the spring. Listed below are the 30 Fall 2025 awarded grants, totaling over \$77,000.
